The success of a society lies in the willingness of its citizens to give of themselves, to perform or give a service of their own free will. The only "gift" is a portion of thyself.

- Ralph Waldo Emerson, poet and philosopher (1803-1882)

What is the Adopt-A-Street Program?

The Adopt-A-Street program empowers volunteer groups to keep their neighborhoods litter-free one street at a time. Adopt-A-Street is a collaboration between the City of Wenatchee and volunteer groups. Residents volunteer to remove litter from an adopted street in their city four times a year for two years. The City of Wenatchee provides organizational help, cleanup supplies, free disposal, and Adopt-A-Street signs with the name of the group on them.

How Does Participation in Adopt-A-Street Programs Benefit Neighborhoods?

- Increases property values
- Reduces litter-removal costs
- Fosters neighborhood pride (people litter less in clean neighborhoods)
- Frees up maintenance crews to perform other tasks

What Are the Responsibilities of the Group Leader?

- Sign a Letter of Agreement
- Attend an initial safety meeting/orientation
- Relay safety information to your group before each event
- Supervise volunteers at each event
- Report planned cleanup event date to the City at least one week prior to event
- Report event cleanup totals to the City (by mail, fax, phone or e-mail) along with Release and Waiver Form (s) after each event
- Monitor group's street signs and report necessary repairs
- Recruit volunteers and schedule at least four cleanups a year for two years

Getting involved

Getting involved is as easy as 1-2-3! If you've made the choice to volunteer and adopt a street, follow these three steps:

1. Contact the City about your interest in adopting a street and find out how you can help.
2. Complete and return the registration form.
